## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend the Packaging (Essential Requirements) Regulations 2003 (S.I. [2003/1941](#)) as amended by S.I. [2004/1188](#), which implemented Articles 9 and 11 of Directive [94/62/EC](#) of the European Parliament and the Council on packaging and packaging waste (O.J. No. L365, 31.12.94, p.10) (“the 1994 Directive”), as amended by Directive [2004/12/EC](#) (O.J. No. L47, 18.2.04, p.26) (“the 2004 Directive”), Commission Decision [1999/177/EC](#) (O.J. L056, 4.03.98, p.47), Commission Decision [2001/171/EC](#) (O.J. L062, 2.03.01, p.20) and Commission Decision [2006/340/EC](#) (O.J. No. L125 12.05.06, p.43) amending Decision [2001/171/EC](#).

Regulation 2(2) amends the definition of packaging to reflect the wording in the 2004 Directive.

Regulation 2(3) removes the date of 30th June 2006 for the expiry of the derogation for glass packaging in relation to the heavy metal concentration levels established in the 1994 Directive, which was set by Commission Decision [2001/171/EC](#), in accordance with Decision [2006/340/EC](#) prolonging the validity of conditions for a derogation for glass packaging in relation to those levels.

A regulatory impact assessment (“RIA”) has not been produced in relation to regulation 2(2) as the impact of this regulation on business is negligible. As regards regulation 2(3) an RIA submitted in July 2003 for the derogation for glass packaging established by Commission Decision [2001/171/EC](#) does not need to be revised. A revised transposition note (“TN”) has been prepared. A copy of the RIA and TN are available from Science and Innovation Group, Department of Trade and Industry, 151 Buckingham Palace Road, London SW1 9SS. Copies of these documents have been placed in both Houses of Parliament.
